

Add Ambience & Spectacular Colour to Your Spa Pool With Chain Lighting From Davey!

Features & Benefits

- Extra bright, easy to install spa lighting system with a range of colours.
- Plugs directly into Davey SP400, 600/601, 800, 1200 & Xcelsior controllers eliminating the need for a separate light control.
- Lights controlled by the Davey Spa Power touchpad.
- Interconnect "light chains" to a maximum of 60 LEDs when Davey 800 or 1200 controllers are used.
- Double POLs* and Quad POLs* available for added design flexibility.
- Light wires available in 1 or 2 metre lengths, creating flexibility for most spa pool designs.
- Program can be set to a preferred setting, eliminating the need to reset each time the spa pool is used.
- Installation into water features or steps also offer a great look.

* POL = Point of light (LED's)
